FROM NASHVILLE

Gathering of the Democratic Hosts for To-Day's Convention.

Evident Preponderance of State Credit Delegates.

Low-Tax Men Alarmed and Talk of Bolting Beforehand.

East Tennessee Delegates Solid Great as were the achievements of the country. That was a triangle and passed before the country. That was a triangle and passed before the country are in considerably alarmed this morning over the vident preparation of the state credit delegates, and some of them talked of not going to the convention met than after the convention and all, preferring to bolt before the convention met than after the convention met than after the convention and all, preferring to bolt before the convention met than after the convention and the preferring to bolt before the convention met than after the convention and all, preferring to bolt before the convention and all preferring to bolt before the convention and all preferring to bolt before the convention met than after the convention and the preferring to bolt before the convention and the preferri of the doctrine of the platform of sre interested in perpetuating its evils. platform or a candidate that shall ignore it. Both factions will hold caucuses at 9 p. m.

The East Tennessee delegation is likely to be gratified. solid against Gov. Marks, and 'tis thought he can't be nominated.

DOWN IN THE COAL MINES.

Pottsville, Pa., Aug. 8.—The inside workings of Keely Run colliery at Shenandoah were discovered on fire in two of the breasts this morning; all the workings were filled with smoke, but the mules and all the loose property were rescued. The fire is a serious one and will prove very expensive. Kirkwood, Murat Halstead and The mine cannot be flooded and to extinguish the fire will present one of the greatest engineering problems yet presented in connection with anthracite mining. This is the mine field was presented and occupied a where three men lost their lives several days ago in endeavoring to remove gas from the old workings.
